# PRAYER

OURSELVES | OUR CHURCHES | OUR COMMUNITIES

Our vision is that churches should pray together in unity. Isolation does not glorify Christ and does not help the church. We need each other and we need to show our communities that Christ has called his church together.

This will involve acceptance, understanding, respect and agreement. We have to abandon our old prejudices, suspicions, fear and defensiveness.

Above all we need to set aside narrow, sectional interest in our own gain and open our hearts to the wider interest of Christ's kingdom.

Transformation happens when churches come together in unity to pray for each other and for their communities.

**PRAY FOR OURSELVES;** we want to be:

- Holy; pure in thought, speech and deed
- Christ-like; reflecting the character and values of Jesus in our lives
- Loving: valuing and serving each other
- Visionary; seeing by faith the possibilities that Christ gives us
- Energetic; investing time and effort in the kingdom of God

**PRAY FOR OUR CHURCHES;** we want them to be

- Places where kingdom values are promoted and celebrated
- Inclusive of people from different cultures, races and backgrounds
- Welcoming to those who are, as yet, outside the kingdom of God
- Led by the Holy Spirit and open to new things
- Respectful of other churches and traditions
- Generous; using our wealth and resources to bless others

**PRAY FOR OUR COMMUNITIES** to be places where

- Institutions have been overrun by the grace and presence of God
- Natural change has been disrupted by God's supernatural power
- The culture is undeniably and comprehensively impacted by the kingdom of God
- People are coming to Christ in significant numbers
- There is a public celebration of the goodness of God

**STRONGHOLDS;** what are the strongholds of Satan in your community? List them and assault them in prayer.
